

APPENDIX F

WORLD TRIATHLON GUIDELINES REGARDING AUTHORISED IDENTIFICATION

Extract from World Triathlon Competition Rules

1. Overview:

- 1.1. To compete in World Triathlon Events, athletes must comply with the World Triathlon Guides Regarding Authorised Identification and the reference to the Uniform at 2.8 of the Competition Rules;
- 1.2. The images on this document are reproducing a typical triathlon uniform. For winter triathlon and, in some cases, in triathlon, duathlon and aquathlon, the long sleeves and lower leg covering are allowed. This appendix applies in the same way for all the cases:

2. Purpose:

- 2.1. Provide a clean and professional image of our sport to local and global spectators and media;
- 2.2. Provide sponsors with reasonable space for viable exposure;
- 2.3. Provide a framework for enabling World Triathlon member National Federations and athletes to have a mutually beneficial relationship with respect to rights and responsibilities, as per Section 12.

3. General Requirements:

- 3.1. Uniforms will be completely clean of any logos or images other than those described below;

- 4.5. The approval process for the uniform colour and design is outlined in Appendix F. The goal of the approval process is to ensure countries do not have the same uniform colour and design;
- 4.6. For Elite athletes, World Triathlon reserves the right to establish a specific rule till 30th of January of the given calendar year, regarding the color of the uniform of the actual leader of World Triathlon Series has to wear:

WORLD TRIATHLON COMPETITION UNIFORM APPROVAL PROCESS

1. Overview:

- 1.1. This process is part of the World Triathlon Guides Regarding Authorised Identification and is a specific addition to the World Triathlon Competition Rules.

2. Purpose:

- 2.1. The process was created to regulate the World Triathlon's approval of the design of each National Federation's competition uniform to be used by their athletes in all World Triathlon competitions according with the World Triathlon Guides Regarding Authorised Identification.

3. General Requirements:

- 3.1. Every National Federation uniform has to be different from any other National Federation uniform, according to the World Triathlon Guides Regarding Authorised Identification. The difference will be significant to avoid confusion between two different National Federations;
- 3.2. Artistic or creative elements are acceptable provided that the World Triathlon Competition Rules are followed. Specifically, if the design contains recognisable commercial logos or trademarks which exceed the surface limits, it will not be approved;
- 3.3. The same design applies to all types of uniforms: men, women, triathlon style, duathlon style, summer, winter, etc.
- 3.4. Every National Federation can request the approval of one different uniform design for every different multisport. Two uniform options can be requested for the Age Group athletes, indicating which is the 1st option and which is the 2nd option. However, all athletes from the same National Federation, competing in the same event, will wear the National Federation's same distinctive design.

4. Timeline for Approval:

- 4.1. National Federations will submit a proposed design of their Competition Uniform for the following year, according to these specifications:
 - a.) A pattern provided by World Triathlon will be used;
 - b.) Sponsor spaces and dimensions, as outlined the World Triathlon Guides Regarding Authorised Identification. The athlete's family name and National Federation code positions (front and back) and dimensions of both;
 - c.) The position and dimensions of the World Triathlon logo. The colour(s) used in the design, including the pantone. The proposed design may be submitted in .jpg, .pdf, .png or .tif format;
 - d.) Once approved, the Uniform approval is extended till the National Federation must seek approval for a new design.

5. Approval:

- 5.1. World Triathlon will inform each National Federation in writing about the approval or disapproval of their National Federations uniform if the design is:
 - a.) Compliant with all the World Triathlon Guides Regarding Authorised Identification;
 - b.) Distinct from other National Federation designs.
- 5.2. If the request is not approved World Triathlon will:
 - a.) Ask the National Federation for a new design if the submitted one did not comply with the World Triathlon rules, or;
 - b.) Ask the National Federations that submitted similar requests to agree to modifying their proposed designs in order to have different uniforms;
 - c.) If the National Federations do not get an agreement World Triathlon will decide on which National Federation can use the proposed design according with these priorities:
 - (i) The National Federation that used the proposed uniform in the past will be given preference;
 - (ii) If both National Federations are proposing new uniforms, a draw will be conducted to choose which National Federation will use the submitted design and which National Federation(s) will have to submit a new one.
- 5.3. World Triathlon will produce an electronic catalogue of approved National Federation's competition uniforms. This catalogue will be updated monthly;
- 5.4. Requests for uniform approval received will be considered on a monthly basis. National Federations requesting approval will choose designs that are different from those already approved.

6. Approval Panel:

- 6.1. All decisions on uniform approval will be made by a panel composed of:
 - a.) A member of the World Triathlon Technical Committee;
 - b.) A representative of the World Triathlon Sport Department;
 - c.) A representative of the World Triathlon Marketing Department;

- 6.2. The decisions of the Approval Panel can be appealed to the World Triathlon Tribunal. This appeal does not suspend the decision of the Approval Panel, but rather the decision will stay in place during the time the World Triathlon Tribunal takes to make a decision on the appeal.
